No Raise Seen In '54 Tax Rate

BROADMOOR VOTES THURSDAY ON \$16,000 GYMNASIUM

Broadmoor property owners will decide Thursday night, April 9, whether to increase the tax rate to the tune of \$16,000 for the construction of a gymnasium-recreation center to be located adjacent to the Broadmoor community center.

Ballotting will be held in the community center shortly after 8 p.m., following an open forum on the matter.

The measure will require a two-thirds majority for passage.

Money for the building will be paid over a period of years from the Broadmoor Property Owners association treasury. The money would come from the \$5 annual dues which must be paid by homeowners through 1956.

To date only one bid, that of Stoneson Development Co., has been received for construction of the project.

THE TOWN RECORD

By MONTE DAYTON

PFC. ARTHUR RUDD of this city, now with the medics in Korea, is having a rough time proving to the South Korean soldiers that an inoculation is not going to put a hex on them.

When the U. S. Medics attempt to jab them with the war-like looking needles, the Korean laddies back up, as if to say, "Please, no, sir, do not puncture me."

However, after some patient explanation, the Korean soldiers finally lined up and subjected themselves to the rigors of American hygiene.

Rudd is the son of MRS. CATHERINE RUDD, 44 West Cavour street.

MR. AND MRS. GEORGE LEATHURBY, the former Daly City theater manager, are back in Chicago now, having left last weekend. However, their faithful pooch has dissociated himself briefly from the family circle.

Their dog was crated up Sunday at the SF airport awaiting departure for destination Chicago. But Monday morning the canine lost interest in his C.O.D. kennel and broke loose, high-tailing it across the runway.

Airport officials notified the Leathurbys and said they'd keep a sharp vigil out for the dog. Later that day spotters observed the wayward pooch crossing the runway again. All looked well. Then, out of the clear blue sky, an airliner zoomed in to land. This was too much for the wayfarer. He lit out again and probably won't stop till he hits Chicago.

Bugle Tooter RAY SAVAGE, Broadmoor police chief, said, "Sure, I'll blow Assembly at the dedication." (VFW tree planting dedication held Sunday). This he said on Friday. Then one-half hour before the ceremonies he reported to one of the committee members, "Say, how in the devil do you play Assembly?" It was strictly a case of being willing, but not being able. A last-ditch effort brought in a trumpeteer, who, after beginning with taps, finally managed to tout out a fair-to-middling Assembly.

Newest addition to the day staff of the mixologists at Rudie's is JOHN BAREI ("The Bull"). John, (Continued on Page 2)

Youngster Takes Stroll; Found 15 Blocks Away

Three-year-old Paul Allen Chernock, 96 Thiers street, is probably the walkingest little tyke in town.

His mother, Mrs. Thelma Chernock, reported him missing from their home at 11:50 a.m. Wednesday.

Just a little more than an hour later and some 15 blocks away little Chernock was found at 260 Flournoy street in San Francisco.

3000 Kids Enjoy Easter Egg Hunt

Some 3000 eager-eyed Daly City kids took part in the big search yesterday (Thursday) for 4000 colored Easter eggs hidden at three "hunting grounds" in the city.

The Easter egg hunt, sponsored by the recreation department, all the local PTAs, the Holy Angels Mothers club, Daly City women's civic club and the Daly City-Colma Boy and Girl Scouts, got underway at 2:30 p.m. and lasted until later in the afternoon.

Among the many hidden eggs were some specially marked and their finders were awarded various prizes secured by the recreation department.

Northern Cities Consider Plan For Wage Uniformity

A proposal was made last Thursday night to begin a study to be made of the five north county cities toward a uniformity of wages, hours, and job classification.

The proposal, made at the north county council gathering by Ken Byers, personnel consultant with the state personnel board, will be acted upon after the study sessions have been held by South San Francisco, San Bruno, Colma, Daly City and Millbrae.

The council also discussed the proposed one-cent sales tax and the legislation now pending in Sacramento which would withhold traffic fine revenue from the cities until all costs of the municipal courts have been paid. No action was taken, but representatives of all cities present said their councils opposed both measures.

BURGLARS STRIKE AGAIN; BELIEVE CAUSED \$3000 FIRE

The "vandals" struck again this week in Daly City, and in their newest and most destructive effort started a fire that did an estimated \$3000 damage to Lillian's Donut Shop, 6167 Mission street, and stole \$56 in cigarettes and cash.

Firemen fought for almost an hour Sunday night to extinguish the fire, which broke out about 10 p.m. The blaze destroyed most of the interior of the shop, owned (Continued on Page 2)

Department heads began submitting their budget requests for the fiscal period 1953-'54 this week and indications were that the city tax rate would remain at the \$1.38 level for the coming year.

Dan Andersen, city administrator, said he would begin going over the early requests next week, and as yet had no idea what allocations the various departments would seek.

However, Anthony Gaggero, mayor, said he believed requests would be high in "some departments."

"There may be some legitimate requests for increased budgeting, but we will try to hold the tax rate at its present figure," (\$1.38 per \$100 assessed valuation), Gaggero said.

Gaggero explained that even though increases might be granted some departments, upping of the tax rate probably wouldn't be necessary.

He said the city will be getting a little additional revenue because of the recent raise in assessments. Last year the tax rate was jumped from 1.295 per \$100 to \$1.38 due to the need for additional revenue for maintenance of the city's parks.

Chest X-Ray Drive Starts Tomorrow

The campaign to discover every unknown case of tuberculosis in Daly City will get under way tomorrow (Saturday).

The goal of the program is to X-ray the chests of everyone in the community over 15 years of age during the next week. The three mobile units which will be stationed at convenient locations throughout the county are capable of X-raying 1200 people in a day.

"The largest single effort by the people in this community to protect themselves against the insidious killer, tuberculosis," Mr. William Kennedy, general chairman, called the program, in a last minute appeal for 100 per cent co-operation.

X-ray units will be operated from April 4-11th. Every person who comes to the units will be registered by the hostesses in charge. The only requirement is that heavy coats and any jewelry or metal objects in shirt pockets be removed for the few seconds required to take the X-ray picture.

If there is some technical defect on the film, or if it shows suspicious of TB or some other abnormal condition, notice will be sent out within ten days and large film X-rays will be offered free of charge to determine whether TB is actually present.

Survey officials estimate that approximately 600 persons will be referred to their private physician for further diagnosis after this X-ray screening.

Council Calls For Bids On \$390,000 Water Bonds

Bids were called for by the council Monday night for the sale of the \$390,000 bonds to go for improvements to the local water system.

The bonds, each of \$1000 denomination, will be redeemed through revenue earned by the water department.

Bids will be opened at 8 p.m. April 20.

May 26 Is Earliest Date For Sewer Election

Earliest possible date for holding a bond election for erection of a half-million dollar sewage plant to be located in Westlake will be May 26, James Kennedy, president of the district's board of directors said this week.

The board met Monday of this week to map preliminary plans for holding of the election and to study election precincts.

THIS COMMUNITY, as others throughout the world, is observing Good Friday today, the prelude to Easter Sunday. Most of the business establishments in town will close today between the hours of noon and 3 p.m. to allow employees to attend services commemorating Christ's three-hour agony on the cross. (For a schedule of Easter observances and rites at local places of worship see the Church page.)

WATER PROJECTS ARE UNDERWAY; LOCATION OF WELLS IS FIRST JOB

Test drilling to find a location for two wells to supply the planned 3,000,000 gallon reservoir in Westlake is now underway.

Crews went to a depth of 500 feet last week at a location between Westlake and the Broadmoor Village school site to determine the amount of water available.

Dan Andersen, city administrator, said tests showed an ample supply there and indicated that the wells probably would be placed in that vicinity. City officials will meet with driller John Pitcher Monday night to decide on the site.

Drilling was scheduled to get underway yesterday or today at a spot 200 feet away from the original test hole.

The wells will supply the Westlake reservoir, to be located somewhere near Skyline boulevard.

Final decision as to exact location of the reservoir awaits the state's action in aligning the new Skyline highway.

Andersen said, however, that work on the reservoir should begin within 90 days.

The elevation of the reservoir will allow it to serve the entire Westlake area.

It will also be at a height equal to the present No. 3 reservoir, thus enabling transfer of water.

The wells may also be tied in with the present water system, Andersen said.

Money for the water projects will come from the \$390,000 voted by the citizens of Daly City in a bond election Oct. 28. The council Monday night called for sale of the bonds and bids will be opened at 8 p.m. on April 20.

Workmen Probe Deep Into Earth For Precious Liquid -- Water

WORKMEN SINK test hole to determine amount of water at site between Westlake and Garden Village school. Tests showed abundance of water. Two 500-ft. wells will probably be located here to supply 3,000,000 gallon reservoir to be built in Westlake. At left is driller J. D. Cells, while hoisting pipe is Roy Beason.

Sub-Station Issue Is Not Yet Settled

Director Says Broadmoor Favors Plan

A San Francisco board of supervisors meeting Wednesday on the Broadmoor, Westlake annexation question brought about these new developments:

1. An amendment was called for which would alter the state constitution, allowing the city (SF) to annex the two areas without a general vote in San Mateo county.

2. The committee on county, state and national affairs asked City Attorney Dion R. Holm to draft a number of further amendments to the state law, to be presented to the full board of supervisors April 13.

Broadmoor Interest
George Alexander, director of the Broadmoor Property Owner's association, announced to the board that "there is widespread interest in our area over the proposed consolidation with San Francisco."

Alexander pledge his full support in efforts to bring it about. He added, "The lower end of the county (San Mateo) has been kicking us around like a political football ever since our section was built."

But whether Alexander was speaking for all of Broadmoor remained in doubt.

James McKay, president of the association, said, "Alexander acted as an individual," in making the statements. "He wasn't speaking as a representative of the board."

Only Investigating
"The board has only taken up the matter to the extent that it is investigating both sides," McKay continued. "If the home owners take a definite stand we will follow up on it."

Under existing state laws three favorable votes would be necessary for San Francisco to annex Broadmoor and four election would be required to annex Westlake.

San Francisco's strategy is to alter the rules governing annexation, to make possible the annexation of property in one county by another adjoining county.

Current Amendment
An amendment to the state constitution carrying the essence of the San Francisco strategem is currently before the Assembly committee on municipal and county (Continued on Page 2)

Unofficial hearing on the Abbey Homestead annexation continued Monday with pros and cons abundant, but with no final decision being rendered by the council.

Joseph Rohl, local manager of the PG&E which seeks annexation to Daly City, asked for "immediate" decision from the council.

Mayor Anthony Gaggero said, however, that since only three members of the council (himself, Dennis and Kennedy) were present, he thought the matter should be held over.

COUNCIL PLANS SPECIAL CENSUS

A special census may be in the offing for Daly City.

Mayor Anthony Gaggero said this week that the city would realize a "considerable sum" in state allocations, were a census held here now.

He pointed out that state money being granted to Daly City is figured on the basis of the 1950 census, which showed a little more than 15,000 persons.

The increase in population since that time, about 5,000, would result in quite a bit of additional money from the state in the form of motor vehicle in lieu, alcohol and other taxes, he said.

Gaggero said the council has been studying the matter in an effort to determine the best time for holding the census.

He said it might be advantageous to wait and hold the census in another year, to take advantage of the predicted population growth, since the state only allows two special censuses in a ten-year period.

Elementary Board Discusses Fire Protection Pact

An agreement wherein the city of Daly City will give fire protection to the Garden Village and Benjamin Franklin schools was referred to the district attorney last week after being discussed by the Jefferson elementary school district board of trustees at their regular meeting.

The service by the Daly City fire department would result in reduced fire insurance premiums for the district.

In other business, the board:

1. Approved participation by the district in the county schools audio-visual aids program.
2. Granted permission for Dennis Huajardo, physical education instructor, to attend a convention to be held in Fresno today and tomorrow.
3. Approved the following as election officers for the school trustee election May 15: Mesdames Louise Day, John Sorensen, Cordina Benedetti, Shirley Walker, Anita Spinetti and Freda Farber.
4. Read a letter from the county superintendent giving the district legal authority to use district funds for the purpose of promoting a closer relationship between the district and the Daly City library in providing library materials for the pupils enrolled in the elementary schools. The trustees agreed to provide a school employee on a part-time basis to work with the local library.

**Three Vie Monday
In Broadm'r Police
Commission Race**

Three Broadmoor residents will vie for the one police commission post open in that community at an election to be held Monday.

Candidates for the three-year job are: Joe Belli, 1547 Sweetwood drive; Stephen O'Brien, 880 Beechwood drive; and Armando Ferraris, 366 90th street, incumbent.

The one polling place, the Broadmoor police station, 88th and Edgewood streets, will be open from 7 a.m. to 7 p.m.

Nearly 3000 residents of the Garden Village, unincorporated Colma and Broadmoor areas are eligible to vote.

Meet Tonight

The council is scheduled to meet in a study session tonight to discuss the annexation of the area in unincorporated Colma. Gaggero said their decision would be forthcoming Monday.

Chief spokesman for opponents of the annexation, George Lagomarsino, local realtor, brought in various photostatic evidence to show why the PG&E sub-station shouldn't be located at the site near the Colma elementary school.

Local Planners Protest

He brought with him a letter from the Daly City planning commission addressed to the county planning commission that protested the issuance of a use permit to the PG&E for the Colma site. In the letter, the local commission said the area was considered for residential building.

He also brought photostatic copies of a petition containing names of 277 persons protesting location of the sub-station at the site. Petition said the sub-station would be "unsightly," and not appropriate to be located by a school.

"War-Time Hazard"

He further mentioned that the plant would be a hazard in time of warfare, since it would be a vital target for bombing.

Location of the sub-station between Orange, Market and Chester streets would also only leave one access from the school, he pointed out.

PG&E's Rohl, pointing his remarks directly at Lagomarsino, said, "I have a residence in Daly City. I live here and I vote here. There's been a lot of misinformation and hearsay spread, but this project would not endanger the lives of anybody."

Not A Resident

He said further that, "the only protest that has been voiced was brought forth on a purely personal basis by a man not a resident of the area."

"I'm sure Mr. Lagomarsino's motives are purely humanitarian," Rohl added sarcastically.

Lagomarsino explained that his family had no financial interests at all in the matter. He added that he realized the PG&E sub-station was a necessity, but said he merely protested its location.

APRIL 14 IS DATE FOR CHAMBER'S SPORTS BANQUET

Date for the Chamber of Commerce's Sports Celebrity Testimonial banquet has been set at April 14.

The event, to be held in the community center, will begin at 7:15 p.m., and will feature a program highlighted by sports films and figures.

Those to be feted at the dinner are: Jefferson high varsity basketball team, 1953 PAL champions; Bob Silvestri, amateur state golf champ; and Art Linhares, finalist in the San Francisco City Golf tournament.

John Mongan, high school vice-principal, will act as toastmaster. Scheduled to be on hand are Tom Foley, basketball coach at St. Mary's college; Pat Mahoney, pro at Lake Merced Golf and Country club; and Hank Luisetti, of Stanford basketball fame.

Movies will be shown at the event and Foley and Mahoney will act as narrators.

Pete Markovich and Bob Hunter are co-chairmen of the function. Tickets, on sale at \$4.50, may be purchased from the co-chairmen.

BURGLARS STRIKE HERE ONCE MORE

by George and Lillian Welnick,
3155 San Jose avenue.

Later investigation by police showed that the burglars had gotten away with \$30 in nickels, \$20 worth of cigarettes and \$6 in other change.

Inspector August Benassini said the methods of the burglars appeared identical with those used in the recent surge of burglaries and vandalism.

"If we catch them," Benassini said, "We'll probably have the gang, that broke into the community center."

Firemen said apparently the burglars set the fire in the storage room, after raiding the establishment.

The thieves gained entry by cutting a window screen and breaking the glass near the lock.

Broadmoor May Favor Annexation

(Continued from Page 1)
ty government.

Dan Andersen, city administrator, and, though impressed with the sincerity of the zealous supervisors, said, "I can't see where they've got a chance."

He was of the opinion that "there are too many small counties represented in the state legislature. They're not going to let the big counties grab off all their land." The administrator added that he didn't think the San Francisco legislation would even reach the assembly of senate floor.

BEAVERS CHARGED WITH DRIVING BUS UNDER 'INFLUENCE'

Greyhound Passengers Say Driver Was Drunk

Nathan F. Beavers Jr., 27, of 271 Los Banos avenue, was arrested Sunday by South San Francisco police on a charge of driving his bus that day while drunk, endangering some 10 to 15 passengers.

South San Francisco police took him into custody after several of the passengers forced him to stop at El Camino Real and Orange avenue and phoned police.

Monday morning Beavers, son of Mr. and Mrs. Nathan Beavers, same address, was released on \$150 bail and ordered to appear before northern district municipal court Judge Thomas L. Bocci Jr. on April 29.

The local driver was booked on passengers' complaints. The Greyhound company for whom he has worked since May, 1952, suspended Beavers pending an investigation, company officials said.

Police reported they received a phone call at 1:40 a.m. from an unidentified passenger aboard the M-line Greyhound bus between San Mateo and San Francisco. The passenger complained that Beavers was drunk.

The bus, en route to San Francisco, was found by officers parked at the curb at the intersection. Beavers was arguing with passengers.

EASTER BARGAIN DAY NOW UNDERWAY AT WESTLAKE CENTER

Easter Parade Bargain Day will continue through 9 o'clock tonight (Friday) at the Westlake Town and Country Shopping center.

During the merchants' Easter special, many goods will be on sale at cost and below.

Ten persons from the Daly City-Broadmoor area will also be recipients of \$10 cash awards. The Westlake merchants mailed out 10,000 Easter folders, each containing a number. The ten winning numbers will be posted in the shop windows.

Set Public Hearing On Vacating Of Westhaven

A public hearing will be held in the council chambers at 8 p.m. April 27, on the vacating of Block 62 of Westhaven drive.

The section, located in the Westlake subdivision, will be used for public street purposes.

Police talked with commuters, who accused Beavers of driving too fast, continuously blowing the horn, swerving dangerously through traffic and arguing with passengers.

Sgt. Mario Blondini said: "We observed the condition of the driver and arrested him on suspicion of drunk driving."

TAKE BODY FROM COLMA PLOT IN MURDER PROBE

Police last week uncovered the body of a 73-year-old woman buried three months in a Colma plot to determine if her brother-in-law had murdered her for her money.

The body of Miss Emeline Sullivan was taken from a family plot in Holy Cross cemetery Friday for post-mortem examination, which is still pending.

Suspicion of murder was based on the arrest of Francisco Mariani, 42, Altadena antique dealer, for allegedly plotting the death of his wife, Grace, 47, Miss Sullivan's sister.

Los Angeles police believed that Mariani planned to murder both his wife and her sister to gain their fortune, valued at \$160,000.

No definite conclusions can be made until specimens of vital organs are subjected to further toxicological tests in Los Angeles; one of the doctors aiding the investigation said.

"No woman is a good housekeeper until she has learned how to slight her work and not have it show,"—Herald, Oberlin, Kan.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors!

Here's your column again: The Lenten season is just about ended and Easter Sunday will soon be with us again. It really doesn't make too much difference which church one attends upon this great day, but we should all attend the one of our choice. There will be services in all churches at many different times so that it should be convenient for one and all to go at some time or another during the day. Happy Easter to all from "Your Neighbors and Mine."

MRS. MARIE MARKGRAF of Theta avenue was the surprised recipient of good news last week. Her brother, MR. FRANK WAYNE of Capp street, was credited with preventing what might have been a serious accident. Mr. Wayne, a distributor for a San Francisco newspaper, spotted a car rolling down a hill. Seeing that it was a runaway car, he sped beside it and locked his right fender with the car's left front bumper. Both cars barely missed a parked gasoline tank truck before they came to a halt beside a service station. Congratulations, Frank, on a job well done.

Seems that MUMPS are no respecter of age. There are several of "your neighbors and mine" who are past the age when they should have had this affliction. Now it is the children's turn to take it easy especially at Jefferson high, where the assistant principal, JOHN MORGAN, and several of the teachers have been home with the mumps. Take it easy teachers, the pupils will be there when you get back and if they have had it "too easy" while you were gone, you can make up for it soon.

MISS KATHY BRUSH (age 4) the daughter of the ALLEN BRUSHES of Winchester street, who is the baby of the auxiliary of F.O.E. No. 1848, was presented with an Easter gift by the ladies of the auxiliary last Tuesday night. Kathy was privileged to attend the meeting and had her picture taken for the book of records of the Eagle's baby.

Servicemen

No wonder there is so much to write about our boys—there are so many coming and going. This week PFC. GEORGE MCCLLOUD arrived at Camp Stoneman on Thursday and will be among those happy men who will be discharged into civilian life during the coming week. It has been a long time since George has seen his family and the first persons that he saw from the ship when it docked were his mother and father, MR. and MRS. GEORGE MCCLLOUD of Miriam street. George should be home among all his friends and neighbors soon. The happiest of homecomings to a fine young man.

GOOD FRIDAY—That great day which all creeds honor and respect is here again. What does Good Friday mean to the SERV-ICEMAN ON OLD BALDY? Christ died on Good Friday. How many others will die for the world as Christ died for it? Will their sacrifices be appreciated anymore than His has been? How much does Easter really mean to each and everyone of us? There is a time to be born—a time to live and a time to die—a time to laugh—a time to cry—a time to work—a time to play—a time to be young and a time to be old. It really matters very little where or in what manner we die—but how we have lived our lives and for what purpose we gave them. Let us all remember this Good Friday, that there are many who wanted to live as He did, but who will die as He did on Good Friday, that we may live. They are young as He was young—There is the glory of Resurrection as His was on the glorious day of Easter Sunday. May His prayer be ours—PEACE. They give their lives, can't we give just one pint of our blood? It is so little in comparison to what they give for us.

JACK KENNEDY, the son of MR. and MRS. ELMER KENNEDY, our fire chief, is another Jeffersonite who has changed the sport clothes for an Army uniform. Jack is presently at Fort Ord where he is in the process of basic training.

LESLIE NICOLIN, the son of MR. and MRS. NICOLIN of Parkview avenue, prefers NAVY blue. Les left for San Diego Naval Training Station where he will take his boat training. Les follows in the footsteps of many another Daly City boy who now wears Navy blue.

JIMMY CERNAS, the son of the Beauty Shop Cernas, has returned home and is now a civilian. Jimmy spent his overseas time in Germany while in the U. S. Army, and has been welcomed back by all his many friends.

Newest Arrivals! Babies! They seem to come to all of us. The latest arrival this last week made proud and happy grandparents of MR. and MRS. LEO LEMON of Los Olivos avenue. The young man was born to MRS. JUNE JAMES, the erstwhile

June Lemon on Wednesday of last week. June will be remembered by many friends who have known her and her family all her life. She went to all the local schools and then worked for THE RECORD, our "home town paper." Congratulations to June on the new addition to her family.

Daly City has one of the most proud "papas" in MR. DEL WILSON of Hillside boulevard. Last week he called this writer up to let her know of the arrival home of MARK LOUIS WILSON who was born February 28, and as he only tipped the scales at 3 lbs. he has been kept in an incubator. Papa Wilson was so happy and excited by the little fellow's homecoming that he almost forgot to tell me either his own name or that of the baby. Mark will be welcomed home not only by his mother and father but by an older sister, KRISTINE, who at the advanced age of five years is planning to help take care of the baby. Congratulations to the happy family.

MR. and MRS. ANDREW LOPEZ of Theta avenue are the proud parents of a new baby boy this week. The new baby is sure of a rousing welcome home as he has two brothers and a sister eager to see him. Welcome to Daly City, Baby Lopez.

News and Views

DOGS! DOGS! DOGS! We all love them but sometimes they are what one would call a nuisance. People have gardens and people have dogs. Sometimes people have both gardens and dogs. These are the people who have the respect for another's property to keep their own dogs in the back yard. Someone of "your neighbors and mine" called and asked if I could write an article on this subject—so here goes. What some of the neighbors can't understand is why people who take their dogs for a walk let them roam just where "doggie" feels like, whether it is on the lawn or our petunia bush. There are plenty of empty lots for our four-footed friends to roam in—just why do they have to pick the nice places in the neighborhood? Another interesting habit that our little friends have is to sit in a doorway and jump out at you especially at night when you least expect it. This can be very frightening.

One never knows whether "doggie" has had his dinner or whether your leg will furnish the nourishment he needs. I myself have neither dog nor garden, neighbors—so in all fairness to the rest of us, please ask "doggie" to respect us and our property as we respect him and his.

More news on the FASHION SHOW AND LUNCHEON. To begin with, the lunch will consist of ham, potato salad, apple strudel, rolls and coffee or tea. The mistress of ceremonies will be MRS. RUTH CRESTA while the commentaries will be done by MRS. ISABELLE LIBERTI. If you want a reservation the person to see is MRS. MARION BALESTRERI.

The tables will be decorated by MRS. ALMA GARIBALDI while MRS. DOROTHY CARRINGTON and MRS. ROSE MILLS will be in charge of the luncheon. To insure hospitality will be the duty of MRS. PEG HANSON and to see to the distribution of the door prizes will be the job of MRS. DOROTHY STEWART and MRS. EDWARD NOLAN. In charge of the raffle will be MRS. JOHN SULLIVAN and MRS. WM. MALLOY, while MRS. FRANCES FULLEN and MRS. MARIE KRYS-TOFIK will be in charge of the tables.

Clothes to be modeled will be furnished by WORTH'S on Mission street and LAD'S AND LADIES' of Westlake. The fashion show is in good hands ladies, so let's all attend and have a good time. Remember the date—APRIL 18—See you at the show.

An old time resident of Daly City returned last week to visit his friends in the "old home town." MR. CHARLES LIKE, who used to reside on Knowles avenue before leaving us for the southern part of the state, paid a visit to the WM. BRUSHES of Niantic avenue. After spending an evening talking over old times, Mr. Like left for his home in Los Angeles.

Well Neighbors—another column has wended its way through the typewriter and the news keeps coming in for the next one. Remember the phone is PL. 5-6482. It's really lots of fun to hear from all the neighbors and I hope fun for the neighbors to read about each other. Let's get better acquainted with each other through "Your Neighbors and Mine" and I'll see you next week with more items of interest to all. Bye now.

LESLIE NICOLIN, the son of MR. and MRS. NICOLIN of Parkview avenue, prefers NAVY blue. Les left for San Diego Naval Training Station where he will take his boat training. Les follows in the footsteps of many another Daly City boy who now wears Navy blue.

MY MAD WORLD

by Leonore Brewer

It is doubtful if there are many regular movie-goers who don't find pleasure in an occasional Hollywood musical, provided they are given a reasonably plausible plot, a few principals who can dance and ditto who can sing. There are times when one just doesn't feel equal to deciphering a complicated European plot, and wants just to sit, with the mind in creeper gear. Call Me Madam and Tonight We Sing, recently previewed, are custom-made for just such times.

Customers Guaranteed

Carrying the title role in the former, raucous voiced Ethel Mer-man should guarantee a long line of happy customers pouring into the popcorn palaces. As the suave secretary of state, whose intentions "Madam" is deliciously never quite sure are completely honorable, George Sanders can be termed quite simply—yummy. I am prepared to doubt that his singing voice is his, but I'm unprepared to prove it, so the least said is the better.

One of the unwritten laws of musical plots demands a secondary love interest. The trials and tribulations of this one were suffered by Donald O'Connor, Vera-Ellen and the audience. It provided the only weak spots where an otherwise fast-moving film dragged. The sorrows of a beautiful young prince being steam-rolled into a loveless marriage (from which you know she will be rescued) are too dated to evoke much more than a "ho-hum, let's get on with the show" feeling. It is to be regretted that footage which could have been devoted to additional dances was so wasted.

Reasonable Facsimile

Tonight We Sing is a reasonable facsimile of the life of Sol Hurok, who, if I may be permitted to quote a New York Times thumbnail description, "has done more for music than the phonograph." One glance at the endless list of "greats" who have appeared under his banner should have been sufficient to bring on a nervous breakdown in any writer commissioned to work them into one screen play. Showing considerable discretion, Hollywood limited the choice to a few artists who appeared quite early in his career, giving the film a nostalgic period-piece flavor, and reflecting something of the vanished glory of Chalanian and Pavlova, through the efforts of Pinza and Toumanova.

Pinza was the whole show. The old master may not be able to sing as once he did, but he hasn't forgotten his stagecraft. His impersonation of the mighty Russian basso, into whose shoes he himself once stepped, may have too strong a reek of ham to appeal to some, but to one who retains memory of his towering Boris, Pinza can do no wrong, short of crooning a western ditty.

Not So Plausible

As I recall Impresario, the book which inspired the film, I remember scant reference to Hurok's private life. Such admirable reticence should have been followed by Hollywood. One final word. Dubbing in voices is undoubtedly a technical marvel, but technique, as many a would-be artist has discovered, isn't everything. So, please, Twentieth-Century-Fox, next time either pick a young man from whom one could suppose such a voice as Jan Peerce's could reasonably come, or pick a less easily identified voice.

Such capsule reviews may not be "the most," but they are "the firstest" in the city.

Colma PTA Makes Installation Plans

Final arrangements have been completed for the Colma PTA's installation dinner to be held Tuesday evening, April 7, at Lyle's, South San Francisco. Mrs. Roy Foster's program committee is planning interesting entertainment.

The installing officer will be Mrs. G. J. Sirex, 17th district's parliamentary and junior past president.

The following members have been elected, and will be installed during the evening by Mrs. Sirex: Mrs. Sanford Vickers, president; Mrs. H. F. Sillick, vice-president; Miss Marie H. Traynor and Mrs. Hazel A. Colwell, honorary vice-presidents; Mrs. Harry Weglin, recording secretary; Mrs. W. R. Whalen, corresponding secretary; Mrs. George Hillman, treasurer; Mrs. E. Edwards, auditor; Mrs. John C. Wiesner, parliamentarian; and Mrs. George Bertucci, historian.

Authorized in San Mateo county, of which three-fourths of the construction was in five cities—Daly City, Menlo Park, San Mateo, Redwood City and South San Francisco.

Although Daly City stood first in number of new dwellings for 1952, construction activity has dropped 37 per cent from 1950, the report said.

Jeff Elementary Board Plans For School Additions

At a special meeting of the Jefferson elementary school district board of trustees held recently, the board worked on a program of building construction to be undertaken with bond money voted by the district February 4.

The board was advised by the superintendent, H. Z. Weibel, that a conference had been held with Howard Rowe of the state department of school planning, concerning the expenditure of the bond money.

Rowe stated the local district is an applicant district and the expenditure of bond building funds was subject to the rules and regulations established by the state legislature.

Must Show Need

Rowe said no school buildings may be constructed unless the enrollment statistics show there are children in the district not properly housed for school purposes. He also pointed out that after approval is granted for one building, a survey of the district's available classroom space and the pupil enrollment must again be submitted before approval of another project is granted. The purpose of this procedure is to prevent overbuilding, Rowe said.

The board discussed the various needs for school buildings and decided the first project should be a six-classroom, kindergarten, and multi-use room building at Thiers and Lausanne streets. The heavy concentration of children in the area and the lack of sufficient classrooms to care for them justifies the construction of this project in the opinion of the board. The school will be known as Vista Grande primary school.

Other Buildings

Other buildings will be planned and authorized as rapidly as possible under the rulings governing the school building program.

The board also adopted a policy governing the selection of probationary teachers who are to receive tenure. The policy is aimed at granting tenure to teachers who have proven during the probationary period of three years to be well qualified for their responsibilities as teachers.

The placement of pupils in the new Garden Village school addition was decided. Three classes of Broadmoor children now attending Westlake, two classes from Woodrow Wilson, and three classes from the Broadmoor Community Presbyterian church will be transferred. All the classes are now on double session and will go on regular session at the Garden Village school April 13 or shortly thereafter, the board said.

Peninsula Little Theater Will Show Coward Work

The first American showing of Noel Coward's latest thriller "Peace In Our Time" will be Peninsula Little Theatre's final production of the current theater season. This intriguing story of the European underground movement during World War II will open in the San Mateo Junior College auditorium Friday, April 10, with repeat performances on April 11, 17, 18, 24 and 25.

Heading the cast of 34 are Muriel Rice of San Carlos (Carrie Ellin in PLT's November run of "The Autumn Garden") and Harold Reynolds of San Mateo (John Pullins in "A Wife Without a Smile").

Tickets for the performances of April 10, 11, and 18 are now on sale, according to director Robert Brauns, and may be reserved by telephoning: Peninsula-Hillbarn Little Theatre office, 1 to 3 p.m. daily, or by writing to PLT, P. O. Box 543, San Mateo.

Sheridan PTA Publicity Chairman Thanks THE RECORD For Publishing Group's News

Dear Editor:

Now that I have completed my term of office as publicity chairman of the Sheridan PTA I wish to express my gratitude to THE RECORD for publishing the many articles I have sent.

The large amount of publicity that we have received through your paper has been most helpful, particularly in our blood donor program. We actually received telephone calls from readers of THE RECORD who wanted to join our blood donor groups, who were

not even members of our association.

So please accept my personal thanks, as well as that of the entire unit, for all that your newspaper has done for Sheridan PTA.

And another "thank you" for patience and courtesy shown towards the errors and omissions of an amateur writer; I trust that you will continue to extend the same service to my successor, Mrs. R. M. Beach.

Very truly yours,
Mrs. Robert Larribeau

PTA Thanks RECORD For Cooperation

Gentlemen:

The members of the Woodrow Wilson PTA have requested me to thank you for the fine co-operation you have given us the past year in publishing news of our activities for the benefit of those interested.

I hope that our pleasant relationship will continue for many years to come.

Sincerely yours,

Home Town News Cheers Local GI

Dear Sir:

I just received my second copy of THE RECORD and I would like to thank you for sending it. To read of home town news sure does cheer a person up.

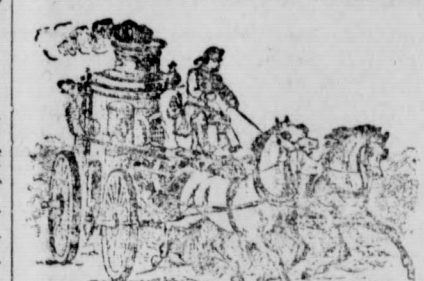

I am down here near Yuma, Arizona and our Army post is 30 miles out in the desert.

I am now working as a PX clerk

and short order cook. I went through cook's school at Fort Ord and when I came down here I cooked for five weeks, but the Army changes a person around any time they want. Well, thanks again.

Respectfully yours,
Pfc. Ronald W. Coollish

FIRE FIGHTERS' FACTS

By Mel Hanson
Fire Prevention Bureau

The Daly City fire department is mourning the death of one of their members, Remi Sanders. Mr. Sanders entered the fire service April 12, 1933, and was a very active member until he became ill several years ago. He was a member of Company No. 2. The officers and men of the department wish to express their sincere sympathy to the bereaved family.

The Veteran Firemen's Association and the general fire department paid their last tribute to Mr. Sanders last Sunday evening with their services conducted at the mortuary of W. C. Lasswell and Company.

Donut Shop Fire

On March 29 at 10 p.m. William Brush and Ward Albee, both members of Company No. 1, were leaving the services of Remi Sanders, when they noticed smoke pouring out of a building across the street. They immediately pulled box 17 and in a few minutes companies 4, 2 and 1 responded. The building involved was Lillian's Donut Shop, 6167 Mission street. The fire was brought quickly under control, and the overhauling of the building was taking place, when a call came on the radio to respond to box 634 at Abbott and Thiers. Company 6 was standing by at their station, ready to answer the call. They responded, as did Chief Kennedy, who was conducting the operations at the donut shop fire. He ordered Company No. 1 to respond also to box 634. Chief Kennedy left Assistant Chief Arthur Bodien, Battalion Chiefs August Benassini and Larry Kennedy to conduct the operations of the fire. When Companies 6 and 1 and Chief Kennedy arrived at Box 634 it was discovered that they had responded to another false alarm.

Company 6 was ordered to stand by at their station and Company 1 and the chief returned to

In the third grade the children are finding work a little more difficult as they began a social studies book comparable to work they will do in the intermediate grades. The book "In City and Country" has greatly increased their interest in the geography of our country.

Looking forward to Easter the Class decorated eggs depicting favorite characters in stories and books. Among the best eggs done were a ferocious pirate, created by Lloyd Thompson, a bunny by Alison Benedict, and a king by Jackie Mitchell. Michael Cheda produced an original interpretation of a space ship. The children will vote on which egg they consider the best.

Grade 4, Room 8, Miss Paynter. The children in Room 8 are studying about Mexico. We have learned a great many things about the country—its people and customs. Montezuma, the ancient Aztec leader has proved positively fascinating to all of us.

During March we wished a "Happy Birthday" to Janice Courtney, Kaye Kurianowicz, Barbara Schnal and Robert Thatcher. On March 17, we welcomed Dixon Yeazell into our class. Dixon transferred from Ulloa school in San Francisco.

We are all looking forward to a pleasant Easter vacation.

the fire to continue the overhauling and cleaning up of the building. Company 1 was the last to leave the scene of the fire. They arrived at their station at 11:30 p.m.

In The Past

TEN YEARS AGO IN THE RECORD

Thursday, April 1.—The Daly City branch post office has a new postmaster, Herbert Guptill, member of the San Francisco post office department for many years. Guptill succeeds Daly City's former postmaster, Gustav John, whose retirement from the government service became effective last month.

Robert Duffy, 141 Los Banos avenue, recently received an important promotion. A deputy county clerk for three years, he was named March 15 as clerk of department one of the superior court, presided over by Judge Maxwell McNutt.

Lieutenant Leroy R. Clark spent a recent furlough in Daly City with his sister, Mrs. Pearl Caine, 479 Bellevue avenue. Lt. Clark earned his wings as a bombardier last October, and is awaiting orders for duty.

He is one of four brothers now serving in the armed forces from the family of Mr. and Mrs. J. F. Caine, formerly of 395 Frankfort street.

FIFTEEN YEARS AGO IN THE RECORD

Friday, April 1.—Construction work has been started on a new winter the library will be open for winner the library will be open for public use. Careful planning of the "Program for Progress" and efficient economical administration of the city government made it possible for Councilmen Selmi, Sunderman and Twisten to spon-

sor construction of the library and start actual work on the site at this early date.

Junior and his sister will be looking forward to Saturday, April 16, with great impatience when the news of the annual celebration of the egg and treasure hunt reaches them.

The Daly City WPA recreation project is preparing elaborate plans for this event.

TWENTY FIVE YEARS AGO IN THE RECORD

Friday, March 30.—The March issue of "2-0," the official publication of the police department of San Francisco, publishes a splendid write-up as well as some very fine photographs of Chief Doyle and his staff.

The article is written by Jack Lawlor, former police reporter of the Daily News, and his verdict is that we possess one of the best police communities in the west. There is less crime, for a city of its size, and its general welfare is a subject of continuous care, the report said.

Sentence of six months in the county jail for one youth and \$100 fine for each of the three others charged with an assault on a 16-year-old Daly City girl, were imposed by Superior Judge George H. Buck last week. Nicholas Ricci, alleged leader of the gang who mistreated the girl, Miss Minnie Webster, was given the jail sentence, and the three fined were San Merceci, Vincent Merceci, and Vincent Palma. All four youth reside in San Francisco.

AROUND THE AREA

Guns By Mail

Millbrae police were launching an investigation late last week to determine how a 14-year-old had obtained a Japanese-made automatic pistol from a mail-order catalog house.

Officers took the .32 caliber pistol from a 13-year-old Millbrae youth in the Millbrae theater. The boy had it hidden under his clothing.

The youngster told police he was holding the artillery for its owner, a 14-year-old friend from San Bruno.

The San Bruno youth told officers he received the gun by railway express after writing to a mail-order house.

Lead Market Booms

The wholesale theft of nearly three tons of lead bars last week from a Belmont plumbing firm—fourth burglary of its kind in two weeks—prompted a sheriff's office and Belmont police effort to head off a gang dealing in hard-to-get lead on the black market.

The company's manager reported that the lead, in five-pound ingots, had been removed from a small storeroom, possibly together with some copper fittings.

The manager said the lead would bring about 15 cents a pound on the black market.

The control of lead has become a scarce commodity recently because of its control by the atomic energy commission.

Bathtub Death

Mrs. Tia Giampaoli, 58, a South San Francisco housewife, died in South San Francisco hospital Friday of Multiple burns and a stab wound, self-inflicted in what police described apparently suicide.

The dying woman was discovered in her bathtub Thursday by a neighbor, who summoned the aid of a passing mail carrier.

Police said she had set fire to her clothing in the living room, then staggered to the bathroom, where she stabbed herself under the left breast with a butcher knife, after first attempting to extinguish the flames.

The act was attributed to despondency over ill health.

Faint Fails Holdup

A 28-year-old bank clerk was responsible for squelching a hold-up at the San Bruno Bank of America branch last week.

When a blond young man in his twenties stood in line at the pay window of Miss Dolores Mion, of South San Francisco, and demanded that she turn over the money, the woman refused the bluff, affecting a swoon and dropping to the bank floor.

The would-be-robbor was taken aback by the sudden turn of events, and walked prettily out of the front door.

A witness later espied him jump into a car parked near the bank and drive south.

Death By Lawnmower

Mrs. Harry C. Pearson, 49, of 2849 Marlborough street, Redwood City, was found dead on the front lawn of her home last week, her foot caught in a lawn-mower.

Mrs. Pearson was discovered by her daughter, Mrs. Louise McKinsey. Mrs. McKinsey said her mother was lying on the lawn,

OUTDOOR SERVICES AT COLMA

Early morning worshippers will again have the opportunity of joining in a spirit of Christian brotherhood to worship, sing hymns and offer prayers in commemoration of the resurrection of Christ at the third annual Easter Sunrise Service to be held Sunday at 6 a.m. at the El Rancho Drive-In Theater, just south of the city on Junipero Serra Boulevard. The public is most cordially invited to attend.

In addition to the natural atmosphere of beauty, a massive cross with the unspoken message, placed among palms and flowers, will dominate the setting. Adverse weather conditions will not affect your enjoyment of the entire program since you can drive direct to the service and remain right in your automobile at all times. An individual amplifier will be placed in each car and visibility is excellent from every position in the spacious grounds of the theater.

An inspiring message will be delivered by the Rev. Donald Deffner, Lutheran pastor at the University of California. Pastor Deffner has achieved great popularity and success in bringing the word of God to our university students since 1947. He is the holder of several college degrees, and in addition to his pastoral duties, is presently engaged in doctoral work at the University. Liturgical work at the Lutheran church, Missouri Synod, at Broadmoor Village.

Easter music by the festival choir, directed by Mr. W. Albert Rublee. Miss Verla Grumm at the organ.

Ocean View Church CU Sunday Club Studies Bible Lands

The Ocean View Church of Christ CU Sunday club is now studying the Bible lands under the leadership of Mrs. Vyron Fender, wife of the pastor.

The study period is followed by an old fashioned song fest in which each chooses their favorite songs to sing. An informal Bible study follows in which all take part.

The annual election of church officers was held Monday evening at the home of Mr. and Mrs. Douglas Hardy. Those re-elected to offices already held during the past year were: Mrs. Fender, church secretary; Ova DeLong, church treasurer; Mrs. Ethel Schrader, Sunday school superintendent. Mrs. Verna Connelly was named as song leader. She already has organized a choir and material has been selected for robes which are soon to be made.

The church's new building is nearing completion and the parishioners expect to move in soon.

Present temporary location of the church is at 474 San Diego avenue.

Schedule for this week includes: Sunday school, 9:45 a.m.; Sunday morning worship and communion, 11 a.m.; CU Sunday club, 6 p.m.; Sunday evening worship and communion, 7 p.m.

Candlelight Communion Scheduled Tonight At Grace Presbyterian

Tonight, Good Friday evening, a candlelight communion service will be held at the Grace Presbyterian church, corner of Crocker avenue and Winchester street.

The Rev. Moore of the Geneva Avenue Methodist church will give the communion meditation.

The choir, under the direction of Marian Walker, with Mrs. Einar

Plan For Colma Easter Sunrise Service

MEMBERS of the Lutheran (Missouri Synod) Inter-Church Committee of San Francisco conclude arrangements for the Third Annual Easter Sunrise service to be held at 6 o'clock, April 5, at the El Rancho Drive-In Theater, Colma. Left to right are: Rev. L. C. Marting, pastoral advisor; J. Parlante, manager of the theater; E. A. Robertson, chairman; W. F. Wille, A. W. Carlson, Vernon Baxman and P. D. Oswald.

Easter Services Announced For Grace Presbyterian

The Rev. William Harberts, pastor, will deliver the Easter message Sunday at Grace Presbyterian church.

Sunday school will be held at 9:45 a.m., with worship services at 10:45 and 11 a.m.

The Grace church choir will sing two anthems, "King of Kings," by Simper, and "As It Began To Dawn," by Harker.

A solo, "I Know That My Redeemer Liveth," from Handel's Messiah, will be sung by Marian Walker.

The Junior choir, directed by Mrs. Beryl Kane, will sing two special numbers in the opening worship service.

Any persons who have no church affiliations or live in the vicinity will be welcomed at the service.

At 4 p.m. a Baptismal service will be held.

For information, call the pastor, JU. 4-9330.

IRISH REPUBLICANS WILL HOLD EASTER RITES SUNDAY NIGHT

The thirty seventh anniversary of the Irish Rising of Easter Week, 1916, will be observed by the Irish Republican Clubs of San Francisco in the K. R. B. Hall, 1133 Mission street (near 7th) on Easter Sunday night.

In addition to the dance program, an oration of the martyrs of Easter Week will be given, and a tribute will also be paid to those who carried on the campaign for Irish Freedom during the ensuing years, with special reference to the late Sean Russell to whose memory this function will be dedicated.

The Shamrock Band will furnish the music.

Hanson, organist, will present an anthem entitled, "Art Thou Weary," by Leighton.

Mrs. Beryl Kane will deliver a solo, "Calvary," by Rodney.

Good Friday Rite Tonight At Bethel Lutheran Church

Good Friday will be observed today with a special service at Bethel Lutheran church, Alemany boulevard and Huron avenue, beginning at 8 p.m.

The Rev. Herbert P. Schroeder will preach on the subject of "The Confession of the Centurion." The Sacrament of Holy Communion will be celebrated in this service.

Easter Sunday will be observed with two services, one at 8 a.m. and another at 10:45 a.m.

The pastor will officiate at both services and special music will be rendered by the Senior Choir under the direction of Mr. Iru Price.

Broadmoor Church Sunday Schedule

Easter day schedule for Broadmoor Community Presbyterian church, 87th street, west of Junipero Serra, includes:

9:45 and 11 a.m.—The minister will deliver the same Easter message at both hours.

9:45 a.m.—"The Chorale," directed by Memory Gomez, will sing: "Christ Victorious," (Maker), "Christ the Lord is Risen Today," (Davis).

11 a.m.—Adult choir will sing: "As It Began To Dawn," (Vincent), "Open the Gates of the Temple," (Knapp).

Parking and nursery care will be provided by special arrangement at both hours.

Last night (Thursday) the Maundy Thursday evening candlelight services were held. Sacrament of the Lord's Supper was observed and communion meditation was delivered by the minister. Special music was provided by the adult choir.

Mohair is the name of wool produced by the Angora goat and can be traced back to the time of Moses (1571-1451, B.C.)

A NOTICE FROM YOUR DALY CITY SCAVENGER

We are trying to give Daly City better garbage service. Your cooperation in the following rules and limitations would be appreciated.

MAXIMUM size can 40 Gallons

FOR GARBAGE ALONE—no rocks, cement or dirt in the can, plus 2 cubic feet extra, beside your can, which contains your garden trimmings—no dirt or garbage in boxes by can. Tie newspaper bundles with a heavy cord and set them beside your can. Flatten out all cardboard boxes and tie them securely together with a heavy cord and set them beside your can.

REMEMBER TO PUT YOUR CAN OUT THE NIGHT BEFORE PICK-UP DAY!

If you should have extra garbage or refuse, please call your garbage man at the time of the pick-up. Any questions, please call Juniper 7-6794.

Thank you in advance. We are sure if we work together and understand the rules and limitations listed above, we should have a cleaner city and friendlier relationship.

ASTERS PAY DIVIDENDS

For a floral bonanza that is like getting 1,000% interest on your money, set out some aster plants now. These old time favorites, the Bedding Plant Advisory Board points out, bloom so bountifully in Daly City they are well worth a little special attention to secure good results.

To reduce aster troubles to a minimum, choose a sunny garden plot where there have been no asters, tomatoes or strawberries grown for the past two years. As a further precaution, fumigate the soil or sterilize it with kettles of hot boiling water, to destroy any spores of verticillium wilt and aster yellows. Spray the plants regularly with a combination contact and stomach poison insecticide. These basic steps will open the way to full enjoyment of your aster bed.

Aster are grand for bedding, and just as useful for cut flowers. They are one of the top flowers grown commercially for cutting. Some of the little known varieties are: Sunshine, a large showy single; Chinese Rainbow, a long-lasting cutting variety that has bright single blossoms of small size; Pompey, a very small button-flowered variety with excellent cutting qualities.

Good companion plants for an aster bed are hollyhocks or delphiniums for the background and the tall ageratum Blue Perfection, tall phlox or Tom Thumb zinnia for a high edging. For a low border try lobelia, ageratum or dwarf begonia. But be sure to leave the robust asters ample room to grow and prosper.

Camellia Season Is In Full Swing—Try Them In Containers

The camellia season is in full swing, and a worthwhile project is growing these plants in containers.

Basic items needed for this type of planting are wood container, preferably redwood, to keep the roots cool and minimize sudden temperature changes. Use plenty of moisture-holding humus—peat, leafmold, even well de-composed sawdust. Well-aged manure can be mixed into the soil for the container.

Service Schedule At Lutheran Church For Easter Week

The Sacrament of Holy Communion was celebrated on Maundy Thursday at 7:30 p.m. at the Lutheran Church of Our Savior, Junipero Serra and Garfield.

The pastor, the Rev. Robert G. Konzelman, B.D., delivered the sermon, "A Doomed World Needs the Cross."

On Friday, a community Good Friday service will be held from 1 to 2 p.m.

There will be services on Easter Sunday at 8:30 and 11 a.m. These two services will be identical, with full Lutheran Liturgy, except the Junior Choir will sing at the early service and the Senior Choir at 11. Sunday School is at the usual hour of 9:45. The pastor extends a warm welcome to all.

The Ladies Guild will meet at the church for their monthly meeting on Tuesday, April 7th, at 8 p.m.

Enchanting Garden From Pile Of Dirt At Hunter Residence

A BIRD'S EYE view of garden wizardry, as seen from the second floor of the home of Mrs. Dora Hunter, 438 Crocker. Mrs. Hunter stands on terraced landscape, amidst pleasing array of flowers and shrubs. Mrs. Hunter, like many another Daly City gardener, had to start from scratch, but her efforts paid off manifold as is seen in this picture. —Record photo

MODERN DAY PROBLEM - LACK OF FRONTAGE - SOLVED BY BACK YARD

The home of Mrs. Dora Hunter, 438 Crocker avenue, is like hundreds of other Daly City residences in that it's front yard just isn't.

The gardener in a metropolitan area usually has only one alternative—make the most of his back yard space.

As very few home-owners have any appreciable amount of footage at the entrance, it becomes necessary for the green-thumb to carry his labors to the rear of the property, where sufficient space, if not level dimensions, is usually found.

Mrs. Hunter started her plot about five years ago, on what was then a veritable sand dune.

The fineness of the soil made her early efforts nil, but after experimentation she came up with the right combination for providing nutriment for her flowers and setting the earth.

She brought in sawdust, which acted as a humus, and kneaded it into the soil along with commercial fertilizers.

Her back-yard site, which is sloped at an approximately 30 degree angle, now provides her with a continual source of enjoyment and activity.

At the base of the terraced portion lies a lawn, surrounded by

various shrubs. Smartly designed steps bring her from the lawn to the hillside flora.

A tactic that might well be employed by other gardeners, is Mrs. Hunter's "hot-house" plan. She has selected a sunny corner of her garden as a spot to "wean" young, less-hardy plants until the time when they become sturdy.

On reaching a fuller state of growth, Mr. Hunter plants these flowers on the slope, and replaces them with other young plants.

The arrangement isn't a bonafide hot-house, but the principle works quite the same. Just select a plot of ground where the sunshine hits most regularly, "build" the soil with necessary fertilizers, and you, too, can profit by this plan.

Mrs. Hunter's "prize" among her

SUDS DOWN BOYS' CLUB, 3-2, IN A PRACTICE TILT

The Suds, an aggregation of teen-age baseballers, mostly from Daly City, eked out a 3-2 win over San Pablo Boy's club Saturday at Marchbanks park.

The local nine was led by 14-year-old hurler Daryl Hadley, who struck out 14 batters and got two hits himself.

Ronald-Meehan, catcher, also got a pair of hits, while Harold Johnson sparked the infield play.

The Suds garnered one run in the fourth frame, two in the fifth, to claim the margin of victory.

The Boys' club's biggest effort of the day was a triple play in the second inning.

The Suds, one of the teams seeking entry in the Daly City recreation hardball league, will face an opponent, yet to be named, at 10 p.m. tomorrow at Marchbanks.

Pack 84 Teams Score Victories

The high-flying Broadmoor Pack 84 won both its A and B team baseball games again last Saturday. The A team score over Pack 108 was 11 to 6. The practice was pitched by Bobby Goodwin.

The B team scored an official win over Pack 36 by a score of 41 to 16. Lee-Pitts hit 3 home runs, Ronald Berry 2, and Billy Savage 1. Pitchers were Savage, Cornell Holmes, and Lee Pitts.

The A team meets Westlake's Pack 248 at Jefferson high at 10 a.m. tomorrow (Saturday). Everyone is invited to this home game. The B team meets Pack 1 at Ocean View park, also on Saturday.

At the March 26 Pack meeting, Lee Pitts had installed a new PA system so that Cubmaster Roy Clemens could make himself more easily heard. R. N. Hilton also made a new speaker's stand for the Cubmaster. Den 8 was host this month, and entertained with a magic show. Dens 3, 6, 7, and 9 tied at inspection; attendance was won by Den 7. The new Den 10 was welcomed under Den Mother Ruth Tobin. In the canned foods raffle, Little Lorraine (Sissie) Gerst drew lucky tickets for Art Dougherty, John Hess and Paul Elliott. The Pack gained \$27 from the raffle.

On Sunday, March 29, Cub Scouts Magoon, Manis, Savage, and Heskett participated in the VFW tree planting ceremonies in Broadmoor.

An election of officers will be held on Wednesday, April 15, at Garden Village school at 8 p.m. All parents of cubs are urged to attend. Parents interested in youth activities are urged to come to the Broadmoor Property Owner's Assn. meeting at the community center on the evening of April 9. At that time, a voting will decide whether or not a youth center shall be built in Broadmoor. A two-thirds majority of those present is necessary for the measure to pass.

The following cubs won awards at the March 26 Pack meeting: Bobcat—Richard Landess, Ronald Landess, Ronald Berry, Bruce Spry, William Gerst.

Wolf—Bill Hix, Robert Akerman, Cornell Holmes, Don Wolfinger, Jimmy Lair, Kurt Neff.

SARTO A. C. WINS, THEN LOSES IN REC LEAGUE PLAY

Costello, High Point Man, Is Declared Ineligible

Sarto AC's hustling ball club upset the highly rated Hoyt Water Heater outfit 29-25 in last Thursday's recreation department adult basketball league, only to lose the contest by forfeit.

Tom Costello, who was high point man for the night with 14 points, was classified as an ineligible player and Sarto's had to forfeit the game for using him. Under the adult league rules no high school student is eligible for competition. Costello is a junior at Jefferson high where he starred at guard on this year's PAL championship team.

The win for Hoyt Heaters gives the club a perfect 2-0 record while Sarto AC is winless in two starts.

In the second game the strong 12 Mile House won over Ralph's Cleaners by default.

The Pastime Club, winners of the league's first half had a bye Thursday night, keeping their undefeated record of 1-0 intact.

JEFFS TOP BALBOA IN SECOND TILT

A three-run rally in the fourth inning gave Jefferson high a win over Balboa high here Friday, 4 to 2.

The Jeffs reversed an earlier setback, having lost 5 to 3 to the Balboas in an extra-innings tussle on Monday the same week.

Joe Lewkowicz struck out ten batters and walked four in fashioning the five-hit victory for the Indians.

A double by Joe Earnshaw delivered one run, and a single by Ray Rosa pushed two more across in the fourth frame.

At the March 26 Pack meeting, Lee Pitts had installed a new PA system so that Cubmaster Roy Clemens could make himself more easily heard. R. N. Hilton also made a new speaker's stand for the Cubmaster. Den 8 was host this month, and entertained with a magic show. Dens 3, 6, 7, and 9 tied at inspection; attendance was won by Den 7. The new Den 10 was welcomed under Den Mother Ruth Tobin. In the canned foods raffle, Little Lorraine (Sissie) Gerst drew lucky tickets for Art Dougherty, John Hess and Paul Elliott. The Pack gained \$27 from the raffle.

On Sunday, March 29, Cub Scouts Magoon, Manis, Savage, and Heskett participated in the VFW tree planting ceremonies in Broadmoor.

An election of officers will be held on Wednesday, April 15, at Garden Village school at 8 p.m. All parents of cubs are urged to attend. Parents interested in youth activities are urged to come to the Broadmoor Property Owner's Assn. meeting at the community center on the evening of April 9. At that time, a voting will decide whether or not a youth center shall be built in Broadmoor. A two-thirds majority of those present is necessary for the measure to pass.

The following cubs won awards at the March 26 Pack meeting: Bobcat—Richard Landess, Ronald Landess, Ronald Berry, Bruce Spry, William Gerst.

Wolf—Bill Hix, Robert Akerman, Cornell Holmes, Don Wolfinger, Jimmy Lair, Kurt Neff.

VENTURI IS CHAMP

"I'LL TRY AGAIN NEXT YEAR" SAYS LINHARES AFTER NEAR WIN

After Six Long Weeks, A Defeat For Art

"I'll try again next year," So said Arthur Linhares, veteran on the links and well-known Daly City policeman, who was beaten 8 and 7 Sunday by Ken Venturi in the finals of the San Francisco City golf tournament.

The 42-year-old Linhares, after pushing away all adversaries in the six weeks of play since the grueling tourney opened, fell to fatigue in the afternoon round against young Ken Venturi, hottest youthful golfer to hit northern California in a long time.

This year marked the first, after 19 years of endeavor, that Linhares had reached the finals in the tourney.

The morning 18 saw Linhares holding the 21-year-old Venturi to a virtual standstill. At the end of the first round the local policeman was only one down.

But it was a different story in the afternoon circuit. Linhares stubbed a putt on the first hole, and from there on out it was all down hill for Art. He three-putted the initial hole to go two down, lost the fourth to a par, the fifth to a par as he was short with an iron shot, three putted the sixth to lose to a par and go five down, and became six down on the seventh when Venturi sank a four-foot birdie putt.

Still, Linhares was not downcast about his loss. "I feel great about the whole thing," he said. Art was of the opinion that the tourney was stretched out a little too long, as is the opinion of many other area golfers.

But 3,023 entered the tournament last February 20, and out of that figure only two, naturally, could vie in the finals. Linhares was one of them and that, in itself, is nothing to sneeze at.

EAGLES AUXILIARY KEGLERS NAB FIRST IN WINTER LEAGUE

The No. 1 bowling team of the Eagles Auxiliary No. 1848 took first place recently in the Women's Winter league at the Mission Bowl.

A trophy was presented to bowling captain Donna Almqvist. Members of the championship team were: Donna Almqvist, Mildred Kalinin, Alberta Diebel, Agnes Maltz and Brita Morris.

Mary Voberil, member of the second team, won third place in the sweepstakes.

The two teams have joined the summer league which starts April 13, at 6:30 p.m. at the Mission Bowl.

ART LINHARES, Daly City policeman, went all the way in the San Francisco city golf tourney— that is until Sunday in the early afternoon when Ken Venturi, young San Jose State college student, downed Art in the finals of the six-week long competition. The local copper confessed to weary-

ing slightly at the end of the grueling tourney, but played practically even-up with the champ in Sunday morning's round, only to lose out, 8 and 7, in the p.m. session. Here he is shown demonstrating his lambasting swing, while unidentified canine golfing fan looks on admiringly.

News From The Parks

Marchbanks Park

Spring makes its entrance at Marchbanks park with the first picnic of the season. Old Man Sun has brought out the flowers, the bees and the people. So with the Old Man's good graces, we will congregate at the middle level of Marchbanks Park at 12 noon on April 12 for a basket lunch and a few games of skill for everyone. Bring your own lunch and soft drinks will be sold for one small nickel.

There will be a softball game for the boys and girls, ages 9-12. The boys will challenge the girls for the park championship. Volleyball will also be played. Sack races, 3 legged races and many relays will be held for all age groups with ribbons to be given to all winners.

Remember the date, Sunday, April 12, 1953. The time—12 noon.

Lincoln Park

There are big plans for all the youngsters who live near Lincoln Park. Saturday, April 4, is Kite Day at Lincoln. Awards will be given for:

1. The largest flying kite.
2. Smallest flying kite.
3. Best homemade kite.
4. Highest flying kite.
5. Fastest flying kite.

Many entrants have begun to work on their kites. Some of these are: Leo McCrindle, Gary Ceolino, Steve Jordan and Jay Kelly.

Edgewood Park

Linda Bridges has taken it upon herself to teach the younger girls to jump rope. Janet Pope has learned to do "Mississippi, going to school" and "Blue Bells." Tina Endberg is just mastering the fundamentals and Susan Green is

learning to turn "French Rope." Five year old Dee Dee Glick is determined that she too will learn to jump rope.

Teaching the one-hand push shot to James Curuso and Bob Davies is Barbara Sears' uncle, Jimmie and Bob have not mastered this shot yet, but are practicing for the day when they join the professionals.

Mike Steele has become a checker enthusiast and is always looking for someone to challenge. His usual partner is Mike Sussman.

A junior "Airdale" or "Flyboy" is Roger Stall. His older brother Dick is in the Air Force and Roger likes to dress just like him.

The new "Steadies" at Edgewood are Patty Root and Jimmie Reeder. "She is the best Indian rooster ever, even if she is a girl," says Jimmie.

Jeff Varsity Wins First Track Meet; 30s, 20s Routed

Jefferson high's varsity gained its first win on the cinderpaths last week as they topped Capuchino high here, in a dual meet, 65 to 49.

The Cap 30s routed the locals, 75 to 38, while the Mustang 20s did likewise, winning 58 1/2 to 9 1/2.

Jefferson quarter-miler Len Monson registered the top mark of the day, turning in a 52.8 quarter, the third best time recorded in the Peninsula Athletic to date this season. He ran the double furlong around two turns.

Monson also captured the 100-yard dash in 11.5 and teamed up with Al Schenone, Wally Honeywell and Larry Allen for a 1:35 880-yard relay, their best effort of the season.

Schenone fashioned the second fastest 880 of the year—winning in 2:05.8.

Jeff Hosts Three City Schools On Local Cinderpath

Jefferson high's track team hosted Balboa and Rindan of San Francisco and Sir Francis Drake of San Anselmo in a four-way meet here yesterday (Thursday) afternoon.

The Jeff varsity mile relay quartet loomed as the only heavy favorite for the day's competition.

Saturday in the El Cerrito relays, attended by 35 Bay Area schools, the Indian relay team captured first, with leadoff man Larry Allen being clocked in 55.7, Wally Honeywell in 54.4, Al Schenone in

53 flat and anchor man Len Monson, 52 flat.

The Jeffs were next to last at the end of the first lap but Schenone handed Monson the baton and a five-yard lead going into the final lap and Monson stretched it to seven by the time he hit the tape.

Coach Ernie Ribera said two Class B runners would be shifted in yesterday's meet.

Wayne Webb, who was clocked in 54.2 for his final lap in the Class B mile relay Saturday, will move from the sprints into 330-yard competition and Jim Rector, a 660-yard runner to date, will enter the 1320.

There are 9680 voting precincts in Illinois.

HILLTOP LEADS BOWLING WITH THREE WEEKS LEFT

With only three weeks of play remaining, the Hilltop Cab bowlers appear to have a priority on the first place spot in the Daly City-Colma Bowling League.

The Hilltoppers took a couple Tuesday night from Kirchhubs, while the second place Daly City-Colma Lions also copied two from Thur Meat Co. The Lions still stand two games behind the league leaders. Hilltop Cab has 51 wins, 30 losses, while the Lion keepers have 49 victories, 32 setbacks.

Third-place Timossi Motors dropped two games to Pearson & Rector and Central Club was bumped twice by Vince & Fred's Homes by Sterling swept three straight from Theater Grill to move into a tie for fourth with Central Club.

Pearson & Rector's Charley Shoots rolled 208 to claim high individual game Tuesday.

Paul Bruch of Hilltop Cab racked up a 581 individual series to win that department, while the league leaders also captured high team game and high team series with scores of 931 and 2572, respectively.

Sequoia Tops Varsity Swimmers; Lightweight Indians Gain Win

Jefferson's varsity swim team received a 51 1/2-23 setback at the hands of Sequoia Friday, while the local 30s and 20s racked up victories, winning 40 to 22, and 25 to 23, respectively.

The Jefferson varsity medley relay team of Wilser, Ofstead and Bedell captured that event in 1:39, to account for the only Jeff victory. The Indians tied for first in the four-man relay, the local team of Galindo, Kuelas, Kyle and Allen turning in a 1:53.9 effort.

The local 30s captured five firsts, while the ultra-lightweights took two events.

High School Nine Raps SF Staters

Jeff's varsity handed San Francisco State reserves a 6-1 setback Monday on the local diamond.

Don Delbon pitched two-hit ball and Don Bertelli wielded the big bat to lead the Indians.

Delbon blanked the Gators through six innings before Bertelli took over on the mound in the last inning. Bertelli pounded out the seventh, driving in two runs.

14 RUNS IN SINGLE FRAME; INDIANS DOWN WASH. 15 to 6

Believe it or not, Jefferson high pushed across 14 runs in the bottom of the sixth inning Tuesday to defeat Washington high school of San Francisco, 15 to 6, in a practice game held here.

Sparking the big inning was George Pedroni, who hit a grand slam round-tripper as the Indians racked up seven hits, six walks and seven stolen bases.

PTA LADIES TO AID X-RAY PROGRAM HERE

Hostesses at the chest X-ray units during the coming campaign to find the unknown cases of tuberculosis in Daly City are prepared to do everything from answering questions to holding babies, according to Mrs. Blackburn, hostess chairman, who announced today that fifty hostesses have signed up for work at the units.

They will register people for X-rays, explain the procedures, distribute booklets on TB, and "hold babies and bundles, if necessary, while mothers get their X-rays," she said.

The X-ray program will be held from April 4 to April 11. Every county resident 15 years of age and over will be offered a free chest X-ray to check the health of his lungs.

NOTICE OF SALE OF WATER REVENUE BONDS

CITY OF DALY CITY
STATE OF CALIFORNIA
NOTICE IS HEREBY GIVEN that sealed proposals will be received by the City Council of the City of Daly City, County of San Mateo, State of California, at the Council Chambers, City Hall, Daly City, California, on

April 20, 1953

at the hour of 8 o'clock P.M. (P.S.T.) for the purchase of \$390,000 principal amount of water revenue bonds to be issued by said City, which said bonds are more particularly described below:

ISSUE: \$390,000 consisting of 390 bonds of the denomination of \$1,000 each, numbered 1 to 390, inclusive, dated May 1, 1953.

INTEREST: Maximum six per cent (6%) per annum, payable semi-annually on May 1 and November 1 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable semi-annually.

MATURITIES: Said bonds mature serially in consecutive numerical order, from lower to higher, in the following amounts on May 1 in each of the following years:

\$10,000 in each 1954 through 1963;
\$15,000 in each 1964 through 1969;
\$20,000 in each 1970 through 1974; and
\$25,000 in each 1975 through 1978.

CALL: All bonds maturing after May 1, 1973, are redeemable on said date or on any succeeding interest payment date at premium of 1/4 of 1% of the principal amount of such bond for each semi-annual period prior to its maturity date.

PAYMENT: Both principal and interest are payable in lawful money of the United States, at the office of the Treasurer, in the City of Daly City, or at the option of the holder at the bank within or without this State designated by the First purchaser of these bonds, which is designated as paying agent.

REGISTRATION: Coupon bonds will be issued by the City. Such bonds are registrable as to principal and interest, or as to principal only.

PROPOSE OF ISSUE: Said bonds are authorized for the purpose of raising money for the acquisition, construction, improvement and financing additions, extensions and improvements to the city water system.

SECURITY: Said bonds are revenue bonds payable exclusively from the revenues of the city water system and shall be issued under Resolution No. 1743, "A Resolution Providing For the Issuance of Water Revenue Bonds of 1953, Fixing the Form of the Bonds, and Providing Covenants for Their Protection," adopted by the City Council of the City of Daly City on March 30, 1953, pursuant to the Sixth Class City Charter of said city, the general law, and the Sanitation, Sewer and Water Revenue Bond Law of 1941 (Gov. Code, State of California, Sec. 54300-54662).

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws, or by the ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue, or by decision of any Federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the City, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

VALIDATION: Said bonds will be accompanied by a decision of the Superior Court of the State of California in and for the County of San Mateo determining the validity of said bonds and of the proceedings leading up to their issuance, the authority of the City of San Mateo, and the validity of the bonds for the purposes provided in the call, and of the pledge of the income and revenue of the city, water system for their payment.

LEGAL OPINION: The legal opinion of Kirkbride, Wilson, Harzfeld & Wallace, 307 B. Street, San Mateo, California, approving the validity of said bonds will be furnished to the successful bidder without charge.

HIGHEST BID: The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid, if any, from the total amount of interest which the City would be required to pay from the date of said bonds to the respective maturity dates at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the city. The lowest net interest cost shall be computed between the dates aforesaid according to standard bond interest tables. The purchaser must pay bonded interest from the date of delivery. The cost of printing the bonds will be borne by the City.

RIGHT OF REJECTION: The City reserves the right, in its discretion, to reject any and all bids.

Local Man Is Awarded Citizenship In Court

Axel Hallstein Grant, 1198 Brunswick street, was among 23 foreign-born residents of the county who became citizens of the United States Friday at a naturalization hearing before Superior Judge Murray Draper.

Following the issuance of citizenship papers, the Women's Relief corps of Redwood City were hostesses for the new citizens.

and to waive any irregularity or informality in any bid.

PROMPT AWARD: The City Council will take action awarding the bonds and rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for the receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given to the City Council notice in writing of the withdrawal of such proposal.

FORM OF BID: All bids must be submitted in sealed envelopes, to be opened in the presence of the successful bidder, and for not less than the par value thereof and accrued interest to date of delivery. Such bids must be enclosed in a sealed envelope, addressed to the City Council, City of Daly City, California, and endorsed "Proposal for City of Daly City Water Revenue Bonds." No bids will be considered as valid unless they are accompanied by an additional opinion or other validating suit. In addition, bidders are requested to supply an estimate of the total net interest cost to the City on the basis of their respective bids, which shall be considered as information only and not binding on either the bidder or the City.

BID CHECK: With each bid must be submitted a certified check or cashier's check for \$5,000 drawn on a bank or trust company, payable to the order of the Treasurer of the City of Daly City, to secure the City from any loss resulting from the failure of the bidder to comply with the terms of his bid. Checks of the unsuccessful bidders will be returned by the City by mail upon the award of the bonds. No interest will be paid upon the deposit by any successful bidder.

Further information relative to the financial condition of the City will be furnished to any bidder upon request.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of the City, or the title of the officers to their respective offices.

LAKE MERCED POST-AUXILIARY OFFER PRAYER AT DEDICATION RITE

Members of the Lake Merced Post and Auxiliary No. 9921 paused and offered a prayer for world peace, at a tree dedication held Sunday at the Broadmoor community center.

An opening address explaining the purpose of the dedication was delivered by Maryann M. Read, community service chairman.

During the ceremony posting of the flags was held. President of the Auxiliary Rose Fisher raised the banner, while Hazel Eagleton

and Ed Diaz posted the American flag and the VFW Post banner, respectively.

Larry Magoon turned the soil for the planting and delivered an introduction.

Placing the tree were Cub Scouts Gerald Mannis and Kenneth Magoon, while the dedicatory stone was set by Eddie Heskett and Billie Savage, also cubs.

Harry Jacobs led the Boy Scout color guard, while Margaret Mori and Marilyn Lewis made up the

Brownies guard. Eileen Johns took part in the function as a representative of the Girl Scouts. Speakers and invited guests were: Commander Samuel Johns, American Legion; President Betty Hood, American Legion Auxiliary; VFW Commander Diaz and VFW President Fisher; and George Alexander, Broadmoor Property Owners' association director.

The inscription on the dedication stone, carrying out the theme of the ceremony, was: "Pause and Offer a Prayer for World Peace."

Appointed officers were: Ethel Dorn, recording secretary; Edith Correll, musician; Ruth Bruzel, patriotic instructor; Mary Conti, banner bearer; Ethel Harris, flag bearer; Mildred Smith, Bonnie Ellenwood, Marie Gehrig and Loretta Hancock, color bearers.

Delegates named to the 12th district convention were: Mesdames Sorensen, Cochran, Poket, Gehrig, Johnson and Bruzel.

Alternates were: Mesdames Valenti, Smith, Pardini, Harris and Schneider.

President Sorensen, Junior Past President Gehrig, Mrs. Ellenwood and Mrs. Poket will be delegates to the San Mateo-Santa Clara counties council, while Mrs. Valenti and Mrs. Harris will be the alternates.

The installation of officers of the Post and Auxiliary will take place on Saturday evening, April 18, at 8 p.m. in the Masonic hall.

The public has been cordially invited to attend.

Mothers Club Of Jobs Daughters Hold Lunch Meet

The Mothers' club of Jobs Daughters No. 198 met at Wanda Michelson's home recently to enjoy a luncheon.

Those serving on the lunch committee were: Mrs. Madeline Bates and Mrs. Bettie Reynolds.

The table was beautifully decorated with a bowl of roses and ferns with Easter egg candlesticks and bunnies.

A new member was accepted into the group. She was the adopted grandmother of the Jobs Daughters, Ellen Yates.

The group extended their welcome to her and expressed the wish that she would be seen often at the club.

The next meeting will be held at the home of Belva Temkin, 752 Maddux drive.

Co-hostesses will be Mildred Hanson and Helen Johns.

Four-Year-Old Child Dies Of Convulsions

Susan Anne Wolfe, 4, of 1071 Gilman drive, died en route to Junipero Serra hospital Tuesday after suffering convulsions at her home.

Efforts of the family physician failed to revive her.

Funeral services were held from W. C. Lasswell & Co.

OLPH Mothers Club Function Is Only Two Weeks Away

What do women talk about these days? Usually it's clothes, and that brings up the fashion show to be held April 18 in the auditorium of Our Lady of Perpetual Help school.

The Mothers club holds the affair every year.

Vice-president Mrs. L. Thiebaut will be back-stage manager.

On the reception committee will be Mrs. Roy Thompson, Mrs. Edna Cubic, and Mrs. William Brush.

Mrs. Hoffman of Worth's on 2442 Mission street is showing casual to cocktail dresses.

Ann Jones of 3240 21st street is the hat stylist, while Mrs. Sue Scott of Lad and Lassie of Westlake is showing the children's clothes.

Mrs. Edward Nolan reports that she has beautiful door prizes for all those attending. Those who have not made reservations should get in touch with Mrs. Joseph Balettreri, J.U. 7-6341. Price of the show and luncheon is \$1.50.

WESTLAKE PTA HOLDS BAKED GOODS SALE TOMORROW TO AID TV DRIVE

The Westlake PTA will hold a baked goods sale in the mall next to the Westlake drug store tomorrow from 10 a.m. until noon. All the proceeds from the sale will be used toward the purchase of the television set for the school. Everything will be homemade and Mrs. Sanford Schoenfeld, chairman of the committee, promises a variety of cakes, pies and cookies, all made by members and friends of the PTA.

Salvage Drive Success
The recent salvage drive sponsored by the PTA netted \$70.86 which will go towards the TV goal. There were 2363 pounds of acceptable material. However, 144 bags were not returned. Those having salvage bags have been asked to return them to the school.

The class having the largest amount of salvage was Mrs. Lamp's second grade with 213 lbs. Mrs. Schober's fourth grade was second with 169 lbs., and Mrs. Dowd's second grade was third with 162 lbs.

Mrs. Harry Bosbery, chairman of the salvage drive expressed her appreciation to the parents, children and teachers for their help in making it a success; also to the mothers of her committee, Mesdames De Witt Smith, H. Dunbar, S. Schoenfeld, F. Kruse, J. Hagopian, G. Pfotenauer, J. Friedman and I. Silberstein and R. Mollison.

Next Meeting
The next meeting of the Westlake PTA will be held Thursday evening, April 9, in the kindergarten room of the school at 8 p.m. At this meeting the new officers of the association will be installed by the retiring president, Mrs. Howard A. Dunbar.

Following the business meeting, the husbands of members of the executive board will take over the program and refreshments. They have quite a gay evening planned and lots of fun has been promised for those attending.

District Delegates
The following were delegates to the district convention held at the Central school in San Carlos, March 19: Mrs. Howard A. Dunbar, Mrs. Fred Kruse, Mrs. Jack Hagopian, Mrs. Sanford Schoenfeld, Mrs. Harold Epstein, Mrs. Sol Lieberman and Mrs. Earl W. Peasley.

The next meeting of the executive board will take place at the home of Mrs. Howard A. Dunbar, 93 Fairway drive, Thursday evening, April 2, at 8 p.m.

Circle Eighters To Hold Party Tomorrow
The Circle Eighters of Brisbane will hold a square dance party tomorrow night at 8 p.m. in the Brisbane auditorium.

COLMA VISTA GRANDE NOMINATES OFFICERS

At the last regular meeting of Colma Vista Grande Auxiliary No. 1848 the following officers were nominated to serve for the fiscal year:

Dolores Warren, junior past president; Jean Blanchehorn, madam president; Britta Morris, vice president; Marjory Clarke, chaplain; Mildred Dunn, conductress; Leonora O'Neill, inside guard; Clara Scally, outside guard; Frances Nentstiel, secretary; Lynne Boskey, treasurer; Alberta Diebel, first year trustee; Edna Mona, second year trustee; Edrie Summers Sr., third year trustee.

Mary Voberil was nominated for mother of the auxiliary.

Election of these officers will be held on April 14.

On this date charter members' and past presidents' night will also be held.

Candidates will be nominated and elected to attend the Eagles convention this year.

Plans were completed for the Auxiliary's annual birthday dinner, to be held at Chukkar's in San Mateo April 7.

Any member wishing to attend can make reservations from Chairman Helen Sievers, J.U. 8-1797, or Madam President Dolores Warren, PL. 5-3658.

Mardi Gras Success

The clubhouse at 95 South Mayfair practically burst at the seams last Friday night as the Westlake Cub Scouts' Mardi Gras got into full swing.

Meanwhile Den 5 staged a colorful parade through the Town and Country Shopping Center as an added attraction.

All the booths did a rushing business, and prizes were won by particularly everyone. It is impossible to estimate how many balls were thrown, balloons popped, nails driven and rings tossed, but judging by the way the youngsters kept coming back to each booth, there must have been many a tired arm the next day.

Cakes, ice cream, soda pop and coffee were sold, homemade cakes were on sale, and many door prizes were given away, thanks to the generosity of neighboring merchants.

There was a lot of work done for the Madi Gras, and the cubs thanked one and all for coming and making it such a sellout.

Costs
The following were delegates to the district convention held at the Central school in San Carlos, March 19: Mrs. Howard A. Dunbar, Mrs. Fred Kruse, Mrs. Jack Hagopian, Mrs. Sanford Schoenfeld, Mrs. Harold Epstein, Mrs. Sol Lieberman and Mrs. Earl W. Peasley.
